Subject: Distance Education Program

Reference is made to your discussion with DG(QA) Ms. Zia Batool and subsequent requests regarding initiation of Distance Learning Program at your University. I am directed to inform you that competent authority has very kindly agreed to allow launching of Distance Education Program in your respective University as per approved PC-1 of the project (copy of PC-1 enclosed) with approval of your statutory bodies concerned.

The three universities which are allowed through this letter will not have any additional financial liability on HEC for the purpose. Therefore you may start Distance Education Program as per guideline given in the PC-1 of the Project and if in case of any problem in the execution of this Program HEC is ready to help you. Whereas HEC will be inviting your representatives in different activities related to Distance Education Program in futures such as meetings, workshops & Training etc.

Wishing you a successful execution of the Distance Education Program.

With kind regards,

Yours Sincerely,

Hakim Ali Talpur

Dear Muneer Ahmed .Sb. Dy. Director, Quality Assurance Division, Higher Education Commission (HEC).

Dear Thanks for sending me visit report in GCUF. We are working on decision made on your kind visit. I am out of country and will be in Pakistan by the end of this week. I will communicate to you earlier.

Thanking in anticipation.

### **Visit report of Directorates of Distance Education GCU, Faisalabad and UA, Faisalabad**

In order to review progress of Directorate of Distance Education (DDE) at Government College University, Faisalabad and at University of Agriculture, Faisalabad, two officers from Tertiary Education Support Programme (TESP) and Higher Education Commission (HEC) visited both Universities on August 22, 2015.

Dr. Mohammad Naeem, Director of the DDE, briefed that almost 26 programmes of undergraduate and post-graduate level offered by the directorate. Classes for these programmes are offered at weekend and students interact through face to face as well as through other means with faculty members i.e. Phone, SMS, email etc. He informed that there are around 10,000 students enrolled in these programmes and out of that 71% are employed person. He also shared that 39% of the total intake are girl students. He shared details of the programmes and said there are total 12 tutorial per month and 48 per semester. Dr. Naeem, added that orientation of students is carried out in the beginning of the course and they are apprised about the course material as well as about assignments deadlines.

Later on Mr. Khurram Qureshi, IT Manager of the University shared Campus Management System which will be upgraded for assignment submission and for course material uploading. Mr. Mahesh Ahuja and Mr. Muneer Ahmed emphasized the importance of the Learning Management System (LMS) for interaction among the students and with the concerned teacher. The IT team agreed to integrate LMS components during the month of October, 2015.

Afterwards, officials went to University of Agriculture, Faisalabad to have meeting with Dr. Tanvir, who is Director of the Directorate. He informed that University is offering degrees through this directorate in 7 disciplines like Education, Sociology, Mathematics etc. Students are required to attend classes on weekends and submit their assignments through LMS managed locally at the University. Total enrollment in the programmes is around 2000 and in Education Programme 84% are female students. The LMS not only contains Lecture Notes prepared by the faculty members but also links to Virtual University videos and other Massive Online Open Coursewares (MOOCs). He informed that Enquiry based learning (EBL) is preferred for teaching learning purpose. He further informed that LMS training to his team is required.

Decision # 01: The GCU, Faisalabad will integrate LMS components with existing CMS during the month of September.

Decision # 02: Faculty members will be trained to use LMS and in future all assignments for different courses will be uploaded through it.

Decision # 03: University of Agriculture Faisalabad will be required to use LMS for interaction purpose and they will integrate Big Blue Button for online interaction with students.

Decision # 04: Full time IT and other supporting staff will be recruited for running affairs of the Directorate.

Regards,

Dr. M. Naeem Mohsin  
Director, DDLE
